FEES

Please note that you will pay for the remainder of your Masterclass fees and all of your room and board fees during Registration on June 27th. We can accept cash and checks but **we cannot take credit cards**. All checks should be made out to Songfest.

TRANSPORTATION / ARRIVAL / CARS AND PARKING

Please plan on arriving on June 27th and leaving on July 5th. If your plans will differ from this, please let me know immediately. Participants may arrive a day early as long as they let me (Heather Verbeck) know by June 12th. For more information about arriving early, please see DORM CHECK-IN.

Transportation to Pepperdine from LAX:

The closest airport to Pepperdine is Los Angeles International Airport (LAX). Songfest has a relationship with Roadrunner Shuttle Service to bring participants from LAX to Malibu. The discounted cost of this service is \$40 each way, and reservations must be made in advance. To reserve a shuttle ride, call 1-800-247-7919 and press Option #1. When making your reservation, tell the agent that you are a part of the Songfest program at Pepperdine. You must give a credit card when you make the reservation in order to hold the reservation. You may pay with credit card or cash. There is an 8-hour cancellation policy. This is a rideshare program – you will most likely be sharing a van with other Songfest passengers. Transportation time from LAX is 45 minutes to 1.5 hours, depending on traffic and number of stops

A taxi ride to Malibu will cost approximately \$50 each way.

While a car is not necessary while you are attending the class, if you are renting a car, driving directions from LAX to Pepperdine are below:

From the airport, proceed to I-405, the San Diego Freeway. Head north on I-405 to Interstate 10, the Santa Monica Freeway. Head west on I-10 toward Santa Monica and the ocean. Follow I-10 until it merges with Pacific Coast Hwy (California Highway 1). Go north on Highway 1 for approximately 14 miles into Malibu. Turn right on Malibu Canyon Road (traffic signal). Turn left at the next traffic signal, which is Seaver Drive. (Distance: 25 miles; Time: 45 minutes – 1 hour).

Arrival:

Please try to be at the Pepperdine Campus on June 27th no later than 3PM so that you can check into your dorm and be ready to attend registration between 4 and 5PM. Given the time it takes to get from LAX to Pepperdine, you should consider arriving as early as possible at LAX given how long it can take to arrive on Campus from the airport. Sunday's schedule:

2:00-4:00 pm: Check into Dorm Office of Special Programs
4:00-5:00 pm: Registration at Ahmanson Music Building
5:00-7:00 pm: Opening Meeting/Pizza Party at Tyler Campus Center
7:30-10:00 pm: Masterclass with Bradley Garner (performers for this evening
masterclass will be giving advanced notice) Ahmanson Music Building

Cars and Parking:

The dormitories and apartments are within easy walking distance of the Songfest facilities on campus, and though participants are welcome to have cars, it is certainly not necessary. Parking at Pepperdine is free for all Songfest participants, faculty and auditors. All parking lots are open to Songfest affiliates, with the exception of the gated lot in front of Smothers Auditorium and any spot marked "restricted." No parking passes are needed on campus. Upon entry and exit of the campus, the driver must stop at the Guard Booth and mention that he/she is a part of the Songfest group.

If you arrive later than 9:00 pm, you will not be able to check-in. Please go to the Ahmanson Music building after you have checked into your room.

This includes 3 meals.

There are several attractive athletic facilities on campus: 440 track with all-weather surface (open 24 hours), par exercise course at Alumni Park, Olympic-sized swimming pool, and the Weight and Fitness Center. All facilities will be available to you as a guest of Songfest and Pepperdine (meal card will provide access to these areas). Internet access: Each dormitory room is wired with Ethernet and dial-up capabilities (two per room). You are welcome to bring a laptop and access the internet by Ethernet (your computer must be equipped with an Ethernet card) or through the phone lines.

PLEASE NOTE: Each dormitory room is equipped with one telephone (one private line per room). Any toll calls placed (including any local toll calling) will require the use of a calling card or 1-800-COLLECT. You may not accept calls at these phones; if you do, a \$50 fee will be billed to you. Participants are encouraged to use cellular phones as their main method of phone communication during the program.

CONTACT INFORMATION/EMERGENCIES

It is advisable to bring a cell phone with you, but in case of an emergency, participants can be reached by phone through the Office of Special Programs: 310.506.4264, or by calling Shauna Hodgson at 806-283-2833. PLEASE only use this number for a real emergency.

CLOTHING

Dress for all classes is somewhat casual but you should have something nice to wear should you participate in one of the student recitals. Since it can get chilly on the beach at night, it would be advisable to bring a sweater or light jacket. You may also want to bring a swimsuit, since participants will have access to the pool and beach.

PRACTICE ROOMS

There will be ample room to practice and this will be discussed further at the meeting on Sunday.

REPERTOIRE

You are not required to play the repertoire that you indicated on your form. We ask for that info so that we can have a general idea of what people plan on playing.

OPEN MASTERCLASSES:

If you are coming as a performer, participant or auditor, you are welcome to play in any open masterclasses, which will take place on most afternoons. (BRING YOUR PICCOLOS!)

*****IMPORTANT*****

In a few days, you will receive a second email from me that will ask for emergency contact information for you. Please email that back to me as soon as possible.
